“E” as in “excellent”

Lisa Rhodes, executive director of Education Foundation of Martin County, tells Star Tracks that the 4th Annual “An Evening of Excellence/Bids for Kids,” - a major fundraiser for the Foundation - raised more than \$60,000. The figure far surpassed expectations and will help provide special opportunities for students in Martin County public schools. Monies raised will help pay for Classroom Enrichment Grants and a new Artistry in Residence program.
