

FOR THE LOVE OF READING BOOK VENDING MACHINE INITIATIVE

♥ Growing Readers One Book at a Time ♥

INVEST IN LITERACY. CHANGE LIVES.

The Education Foundation of Martin County's Book Vending Machine Initiative expands access to books and supports lifelong learning.

These machines turn a simple token into a life-changing opportunity—placing age-appropriate, high-interest books directly into the hands of students who need them most.

With your support, we can unlock the power of reading and help every child build a brighter future.
