

# Elementary Robotics Program

## 4th and 5th Graders

### Are you up for the challenge?

#### Robot Game

Build, test and program an autonomous robot to score points on a themed playing field

#### Project

Develop a solution to a real-world, team identified problem

#### FLL Core Values

Learn that friendly competition and mutual gain are not separate goals, and that helping one another is the foundation of teamwork

### Weekly afterschool sessions

September—December

### Regional Tournament

In addition to the weekly robotics club sessions, teams will participate in this regional tournament taking place at South Fork High School.

In partnership with the  
Martin County School District

Extended Day Program

EFMC: 772.600.8062

501(c)3 non-profit organization
