Community Opportunities

This online module is all about connecting our community to classrooms for an exchange of non-monetary needs and offerings.

- **Fulfill a non-monetary classroom need** (i.e., gently used books, shoe boxes for an art project, classroom or special event volunteer opportunities, or a subject matter expert to sit on a school advisory board).
- **Post an educational offering** (i.e., internship or volunteer opportunities for high school students, externship opportunity for teachers, used equipment for classroom use, etc.).
- **Students are encouraged to use the site to find scholarship, internship and volunteer opportunities.**
